About

A discovery into the Unique Italian Style

Notte in Galleria will celebrate the unique **aesthetics** of **Italian products** that, just like art pieces, are widely acknowledged overseas for their distinctiveness. The **iconic style and design** is a key part of Italian product's quality creating a competitive advantage for our products abroad. The perfect combination of “Quality and Aesthetics” reflecting the concept of “**Bello e Ben Fatto**”, is widely recognized by consumers as a distinctive trait of Made in Italy products.

This year we will celebrate the Italian exquisite taste for style and design as grounded in the rich artistic heritage in an exclusive night of promotion of Italy and Italian products.
