LINKING and more

2016/11/7-8

Want to know more about China?
Want to meet with people involved in the
Chinese apparel and fashion industry?
Want to find the right partner in China?
Come to LINKINGplus and find out more
opportunities.

What is LINKINGplus?

LINKINGplus is a brand new event devoted to **creating new and direct opportunities** for over-seas apparel companies to meet with their Chinese counterparts.

LINKINGplus is a platform bringing together every aspect of **qualified global resources of apparel and fashion industry**, and **linking them with Chinese clients and potential partners**.

LINKINGplus is a party where people from apparel and fashion world **meet and share with each other their ideas and expertise**.

LINKINGplus is a **shortcut to Chinese apparel and fashion companies, brands, entrepreneurs, industry clusters**.

WHAT WE DO

B2B Space

NOV. 7th All Day
Xiamen International
Conference Center Hotel

Main body of **LINKING^{plus}**

Setting in “**CREATIVE ODM**”, “**BRANDS COOPERATION**”, “**INNOVATIONS**”, “**DESIGN&CONSULTING**” and “**EDUCATION**” five sections, **one-on-one meetings** will be carried out between overseas participants and potential Chinese cooperation partners

Match-making will be based on questionnaires before-hand.

Could be used as the major means to do the **promotion**, or as a supporting way to B2B Space.

Like a **seminar**, could be more efficient **for group companies** with several brands, or regional **industrial or trade organizations** for a certain textile and apparel industry, or **consulting companies** with trend release and management solutions, or **fashion institutions** with tailored training programmes.

Forum

NOV. 7th Afternoon
Xiamen International
Conference Center

This is where people from apparel and fashion industry and related fields **exchange and share their ideas and expertise** in form of presentations and dialogues.

Topics include **education, creative design collaboration, evolution in production driven by consumption**, and **application scenarios of new materials and new technologies**.

One day, two options.

Each tour will involve **apparel companies, brands, design studios, factories and industrial parks** in and around Xiamen.

Find out more by your own.
